Our Dedication
Mr. Litwa

We, the yearbook staff, dedicate this yearbook to Mr. Richard Litwa. We would like to honor you because you have done so much for us, the class of 82, throughout the years, not only academically but personally.

We have enjoyed working with you in such activities as our carwash, the prom, the gymnastics show, and rollerskating.

The class of 82 appreciates all your effort and patience.

Thanks to you our years at B.H.S. have been a success.

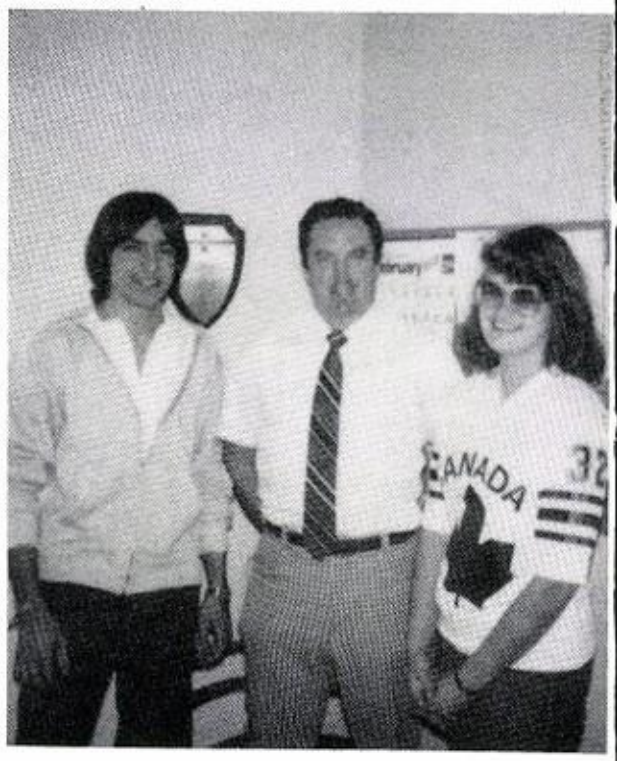
Portuguese.

Eu gostaria de agradecer a todos que fizeram parte deste ano tão especial na minha vida. Eu batalhei muito tempo para poder vir para os Estados Unidos. Eu estou alegre e orgulhoso de ser um bolsista do AFS. Durante o meu tempo aqui eu sofri bastante para aprender inglês e aprender os costumes daqui, mas eu também curti bons tempos aqui. Para me ajudar nos tempos que eu estava na pior, eu fiz muitos amigos. Eu espero voltar para cá qualquer dia para ver todos outra vez. Eu gostaria de agradecer outra vez por tudo o que fizeram por mim.



Translation.

I would like to thank everyone for being a part of this very special year in my life. I have looked forward for several years to come to the United States. I am both, happy and proud to be an AFS student. While in America I have had hard times with learning english, and geting use to different customs but I have also had many good times. To get through the hard times, I have made many friends. I hope someday to return to the United States and meet these friends again. I would like to thank everyone again for all the support and care given to me.

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.
